There's No Place Like "Home"

Members of Home Encampment #13

Mountain Home - Home Encampment Lodge #13 found a new home this February in Mountain Home's IOOF hall. Thanks to the devoted efforts of Mountain Home Lodge #19's Sister Marge Harlan and Brother Don Harlan, along with Grand Patriarch James Weighall, Grand Scribe Merna Deland, Grand Master Dan Sanow, and Deputy Grand Master Tom Ashley, Home Encampment #13's charter was able to avoid being closed for good by transferring from its original home in Idaho Falls to Mountain Home.

On Monday, February 2, Home #13 held its first official meeting in Mountain Home with 26 Brothers and Sisters from across Southern Idaho in attendance. In total, the encampment received 19 applicants, which included ten regular members and nine associate members. Those in attendance included current and past members from the Grand Lodges of the Odd Fellows, Patriarchs, and the Patriarch's Militant. The members of Mountain Home's IOOF and Rebekah lodges were very honored to have so many attend. Brother Dan Sanow and his son, Brother Jamie Sanow, were both members of Home #13 in Idaho Falls, and Brother Dan spoke of his hope for the future of this encampment. Home #13 in Mountain Home shares his sentiments and looks forward to many years of furthering Odd Fellowship and helping the local community!

News from Nampa #40

Things are going well at Nampa #40. The construction is almost done at the new library square, yea!! Hopefully parking downtown will be better for us. The new parking garage, we are hoping, will help out with lodge functions at the hall. We sent our money in for a U.N. Pilgrimage delegate and it looks like we have another good candidate this year. We have been fortunate to be able to send a delegate on the UNP for many years. Nampa #40 is also looking forward to our high school scholarship program. We give a \$1000 scholarship to a qualifying graduating senior from one of the high schools in Nampa each year. We had a new chair lift installed on our 12th Avenue stairs to make it easier for members to come up the stairs. We have also been working on some new display cases and displays at the lodge, so if it's been awhile since you were at the Nampa lodge, come see what's new. If any lodge needs help with degree work, contact Tom Ashley, who is the Grand Lodge degree captain and he and Nampa 40 will be glad to assist your lodge in any we can.

The Historical Society

Caldwell - The Historical Society had the first meeting for the year. Elections were held. Congratulations to Jeff Mann (President) and Stephen Mann (Secretary).

Georgia Wickham, Merna Deland and Sharon McGaffick worked on a new display case for the lodge jewels, a great new addition to the museum. Thank you for your hard work and dedication. It will be a nice addition to the other displays.

Grand Master March Letter

Well the first hints of spring are slowly beginning to push their way into our lives. In Odd Fellowship, spring brings the District Meetings and all the preparation and activities involved. By the time you see this letter I will have already started my visits. I am looking forward to hearing about how the Lodges have already made a difference in their communities or at least what they are planning to do. With my personal involvement with our local Soup Kitchen I frequently get to see how a contribution (in many different ways) from companies, organizations, and individuals have made a significant impact on people's lives. I can assure you from hands on experience, no matter what you do to help out with some need in your community, regardless of its size or significance, it will be sincerely appreciated and it WILL make a difference in people's lives.

Things, they are a changing in Odd Fellowship here in Idaho. I had the wonderful experience of being one of the new members of a newly instituted Encampment at Mt. Home this last month. What made it special for me was that the new Encampment was my previous Encampment, Home #13, from Idaho Falls. Many thanks to our Editor and very hard worker, Sister Marge Harlan for all her efforts and dedication to the job for making this happen. New Encampments, however is not all Sister Marge is spearheading. She has been assigned as Chairperson of the new Odd Fellow web site development project; along with team members Sister Calista Newman and Brother Steve Mann. They should have an active web site up and operating in the very near future. We are also seeing several changes at the Grand Lodge Historical Building as well. Our new Grand Secretary, Brother Jeff Mann has taken the reins of his job quite seriously and has upgraded the computer systems of the office; upgraded the locks on all the doors making the building a more secure facility; and among other things, has plans to revamp the downstairs rooms used for overnight stays and meetings.

As I have already mentioned, Spring is starting to push its way into our lives. Spring of course is the time for change; a time for new beginnings. Most of us however, get a little uncomfortable with change; it often takes some inner courage to "put yourself out there" or try something new. Each of us, as individuals and our Order as a whole, will benefit greatly if our individual members

Fun things have been happening at the Museum. The museum will be closed until Friday, March 6th in preparation for our Open House. Looking for knowledge of artifacts in the building. More things are being planned, so keep an eye out for things to come.

The Grand Secretary is cleaning and painting the Odd Fellow's bedrooms at the Museum. Donations of bedroom furniture is needed to furnish the room.

We are in need of lamps, dresser, recliners, end tables, coffee table, TV, beds (twin & queen), bed sheets and blankets, pictures, armoire, kitchen items, dvd's and player and paint and painting supplies.

All items would be greatly helpful to get the down stairs bed rooms fixed up.

To have your donations picked up, please call Jeff Mann, at 459-2091 or 573-2538 to make arrangements. Please leave a message if no answer.

and our Lodges as a whole will muster the courage it takes to select something to accomplish that will make that difference in our communities. Remember the bundle of sticks; you don't have to do it alone. Once you find the courage to start you will be amazed at how easy it is to finish. I have a little story for you about courage, though I sincerely hope any encounter you choose to have with courage does not have to follow this particular path.

Courage Is Its Own Reward

When Frank arrived at the Pearly Gates, he found himself standing face to face with an impressive angelic being holding a clipboard. The angel told Frank he needed to get some "entry data".

"Frank," the angel said, "It would help if you could identify one experience on earth where you performed a courageous, unselfish deed". Frank thought for a few seconds and then said, "Well, one day as I was walking, I came upon an old woman who was being attacked by motorcycle gang members. As they were smacking her around, I stepped up and pushed over one of the cycles – but only to distract them. Then I kicked one of them real hard on the shins, and pushed him into the others, and shouted for the lady to run for help. Then I hauled off and put my fist right into the biggest guy's stomach. I think the woman made it to safety.

"Wow," the angel replied, "that's very impressive". Then, with pen poised on his clipboard, he asked, "When did this happen?"

Frank looked at his watch and replied, "Oh, two or three minutes ago."

Rarely will it take a fist-o-cuffs to "Make a Difference" in another person's life. There are many things that each of us already have in our lives that we can share with others that they really need. Just take a look around you with the thought of sharing fixed firmly in your mind. You will be amazed at how much you will begin to see as the fog of your everyday life slowly begins to clear.

Fraternally,
Dan Sanow, Grand Master 2014-2015

Troops Receive Messages of Love and Support

On January 25th, members of the Mountain Home community joined with Mountain Home Lodge #19 and Guiding Star Rebekah #4 as the lodge hall hosted an event to create Valentine's Day cards for overseas military personnel. This project was spear-headed by Theresa Bowman, an active member of the community and upcoming IOOF initiate, and attended by lodge members and the community ranging from the young to the young at heart. Members were also honored with a visit from Past President Barbara Pettigrew, who sat with youngsters and joined in on the card-making. In total, about 300 cards were created and signed by people of all ages. This project was a great way to remind those overseas that they may not be here, but they are certainly not forgotten!

Clearwater lodge, Sylvan Rebekah 81 and Odd Fellows Crystal 103, held their annual Groundhog Breakfast on Sunday February 1, 2015 in Clearwater, Idaho. There were 430 paying breakfast eaters as well as approximately 30 kitchen helpers and servers....

January 26th 2015...2500 pounds of Bulk sausage arrived on the food truck and was unloaded by Jimmy Hunter, David & Dennis Bishop, Bobby Gribble, Bear Claw and Jim Fuller.

January 30th... A lot of volunteers arrived by 7:30 a.m. at Battle Ridge Meats to help grind the sausage, mix the seasoning, make and wrap patties and weigh and wrap bulk meat. During that busy day, we got word that long time Rebekah Mary Bishop, age 92, had a dizzy spell and was transported by ambulance to the hospital. Her family left the meat house to be with her. (She was released on Feb. 1st and is doing very well now). The owner of Battle Ridge Meats, Larry Squires, helped finish the grinding and the clean up after wards. Louise & Heather Bishop finished making the lunch that Mary had started and transported it to the lodge to feed the tired and hungry helpers after they finished at the Meat house.

On January 31st... Many of us arrived at the lodge hall by 10:00 a.m. to clean and organize for the breakfast the next day. Along with the regular lodge members, Timothy McDonald, from Kirkland, WA (brother-in-law to Dixie Lynn & Jim Fuller), Tindy Hunter and her young daughter Sydney, (daughter-in-law and granddaughter to Jimmy & Patsy Hunter), and Geoff & Heather Bishop and their young kids, D.J. and Lexie from Boise, helped wash and fill small dishes with jelly & margarine, and washed and filled syrup pitchers, and filled and put out salt and pepper shakers. Silverware was wrapped by Rosie Gribble, Louise and Heather Bishop. Coffee pots were washed, filled with water and ready to go on Sunday. A new lodge member who is a mountain man and goes by the name of Bear Claw cleaned pots and made coffee.

February 1, 2015... Lodge members and volunteers arrived at the hall at 6:00 a.m. ...The sausage was hauled from the cooler at Battle Ridge Meats and unloaded in to the lodge hall. Patsy Hunter was the main organizer and she was kept on the run all day. David Bishop, with help from Bobby Gribble, kept track of the 2200 pounds of bulk sausage that was sold ahead of time or at the door..... A hand crafted quilt was made by Mary Bishop and won at the raffle by Bob Long of Clarkston. Jerri Ann Bishop and Chris Agee took tickets at the door.... Jimmy Hunter cooked pancakes for most of the day, as he has done for the past several years....Dixie Hardin mixed the batter for Jimmy H. Dennis Bishop, Rick McLean and Garth Evans cooked 300 pounds of sausage patties, with help from Don Fluharty and Geoff Bishop. Jim Fuller & Dixie Lynn scrambled 90 dozen eggs with trade off by Patty Lazenby and Joe Patten, who also mixed the eggs to be cooked. Bear Claw made coffee. Heather Bishop & Diane McLean washed dishes with help from Kathleen Hardin, Mary Jane Fluharty, Gloria Jacks, Marlene Patten, DeAnn Lyons, & Louise Bishop. The adult servers were Christy McKinney, Tindy Hunter and Dawn Evans as well as a passel of young people who traded off serving the tables and helping on other jobs that needed to be done.....

Critique of the 150th

Grand Master Dan Sanow asked me to write a report on the 150th Celebration so in the future generation can see what time, effort and funds were put into it.

The 150th was in the making for several years. It was discussed in Pioneer Lodge off and on, and research was done on what was done in prior years. When I was elected Grand Warden I met Sovereign Grand Warden Bob Smith and had a discussion with him, I pointed out that the year that he would be Sovereign Grand Master we would be celebrating 150 years of Odd Fellows in Idaho. He then made a verbal commitment to come if at all possible. Being a man of his word he honored his commitment. He and His wife came on Friday and left on Sunday.

The 150th was intended to not only be a celebration but a way showing the public who we are and what we do. It was decided to have an open meeting and use parts from all six units of the order in the opening and closing ceremonies. An outline of what we were planning was sent to Sovereign Grand Master for comment and his approval.

The parking lot by the lodge was cleared off and a large awing was set up and folding chairs were brought in. There was seating for almost 200 and most of them were filled during the service.

We used the Idaho City parking lot by the Community Hall for a staging area. The day started off with a parade thought he center of town and then the Senior Center ran a shuttle service with their bus from the community hall to the lodge. We then had the meeting under the awing and then the shuttle back to the community hall for a prime rib and salmon dinner. 107 meals were serve. After this Donnie and Pat's band played for us to dance to. We presented the Sovereign Grand Master with a gavel.

The next page is a list of all the financial contributors, income and expenses. But just as important was all of the volunteers that gave their time and labor to help put on the 150th. I would like to thank the volunteers for the event, Trudy Jackson and her group of volunteers from Idaho City who put on the Dinner, Georgia Wickham who turned up to almost every event; Bob Wickham, Kathryn Smith, Marge, Don and Hannah Harlan for coming to our clean up slumber parties and cleaning up after the event; Joe and Linda Sirani for redoing the electricity in the lodge and helping with setting up chairs and benches; George and Sharon McGaffick for turning up to and helping at all the planning meetings and a sleep over; Alice and Mel Baillie for staying for clean up; Joyce Obland and her husband (the Mayor) who drove the shuttle bus; the members of Ada #3, Mountain Home #19 and Guiding Star #4 for building floats for the parade; all the other entrants to the parade; Donnie and Pat Marvin for putting on the musical entertainment; all the officers of the Open Meeting led by Noble Grand Tom Ashley; the members of Rose #18 as the sister Rebekah Lodge helping out wherever they could; and many more. I would estimate that from planning, cleaning, decoration, putting on the ceremony, and etc. I estimate that we had about 900 hours of labor at \$7.50 an hour that would be \$6,750.00.

There was an old fellow
named Green,
Who grew so abnormally lean,
And flat, and compressed,
That his back touched his chest,
And sideways he couldn't be
seen.

Is it me or the nature of money
That's odd and peculiar? Funny,
But when I have dough
It goes quickly, you know,
And seeps out of my pockets like
honey.

An elderly man called Keith
Mislaid his set of false teeth -
They'd been laid on a chair,
He'd forgot they were there,
Sat down, and was bitten be-
neath.
